If a participant needs a printed version, it will be given out to the team representative/manager.

Team classification is based on the times of three best riders of the team on each stage.

Where two or more riders make the same time in the general individual time placings, the fractions of a second registered during individual time trials (including the prologue) shall be added back into the total time to decide the order.

If the result is still tied or if there are no individual time trial stages the placings obtained in each stage, except team time trial stages, shall be added and, as a last resort, the place obtained in the last stage ridden shall be taken into consideration.

The team classification for the day shall be calculated on the basis of the sum of the three

The team general classification shall be calculated on the basis of the sum of the three best individual times from each team in each stage ridden. In the event of a draw, the following criteria shall be applied in order until the teams are separated:

1. number of first places in the daily team classifications;
  2. number of second places in the daily team classifications;
- etc.

If there is still a draw, the teams shall be separated by the placing of their best rider in the general individual classification.

Any team reduced to fewer than three riders shall be eliminated from the general team classification.

### Classification and award ceremony

The yellow jersey will be assigned to the leader in the general individual classification by time. Furthermore a team classification will be drawn up.

After each stage the first three riders of the stage and the leader of the general individual classification by time must be present at the award ceremony. The ceremony for the stage 1.1 will take place after the stage 1.2

For the final ceremony after stage 2 the first 3 riders of the stage, the first 3 riders of the general individual classification by time and the winner of the team classification must be present.

best individual times from each team except the team time trial that is governed by the specific regulation of the event. In the event of a tie, the teams shall be separated by the sum of the places acquired by their three best times on the stage. If the teams are still tied, they shall be separated by the placing of their best rider on the stage classification.
